In order to recover the instrument with its record, a label is always attached to the protecting cage of the instrument directing the finder to take it to the nearest Tahsildar or other local revenue authority who is in turn requested to pay a reward of rupees two to the finder plus a reasonable sum to meet the expenses incurred by the finder in taking the balloon to the Tahsildar or other revenue officer. The Tahsildar or other officer should intimate the recovery of the instrument to the Meteorological Office, Poona, which will arrange to get back the instrument and defray all expenses incurred in this connexion by the revenue officers concerned

The co-operation of Tahsildars and other Revenue Officers in recovering the instruments will be very much appreciated.

Persons born in restricted countries who wish to enter into the Union for temporary purposes do not require any authority prior to arrival at the Union port, but on arrival they must give reasons for their visit and the period during which they desire to reside in the Union. Such persons, if allowed to land, will be given temporary permits and will be required to leave the Union on or before the expiration of such permits. M. 219.—The following resolution of the Government of India is republished :—

DEPARTMENT OF COMMERCE.

TARIFF.

Simla, the 20th May 1930.

No 127 T (19).—At the beginning of the current year the import duties on sugar were as follows :—

	Rs.
23 Dutch Standard and above.	4-8-0 per cwt.
Inferior to 23 Dutch Standard but not inferior to 8 Dutch Standard	4-0-0 per cwt.
Below 8 Dutch Standard, molasses and sugar candy.	25 per cent *ad valorem*.

The Finance Act of 1930 enhanced these duties, for revenue purposes, by Re. 1-8-0 per cwt. in each case. During the last session of the Legislature the Government of India received a representation from the Imperial Council of Agricultural Research, which stated that in March 1929 the Government of India had addressed all local Governments on the subject of the sugar industry, and that on receipt of replies to this letter the whole question had been examined by a specially qualified committee appointed by the Imperial Council of Agricultural Research. This Committee's report had been considered by the Council, which resolved that the Government of India be asked to refer to the Tariff Board for enquiry the question whether protection is required, and if so in what measure, for the sugar industry in India. In making this application the Imperial Council of Agricultural Research had taken into consideration the fact that the three Provincial Governments most vitally interested in the sugar industry, namely, the United Provinces, the Punjab and Bihar and Orissa, together with the Government of Bombay, had asked for an enquiry by the Tariff Board.

2. The question whether a *prima facie* case has been established for reference to the Tariff Board of the desirability of granting protection to the sugar industry has been carefully examined by the Imperial Council of Agricultural Research, and the Government of India after considering the evidence adduced by the Council have decided to refer this question immediately to the Tariff Board for enquiry.

3. In making its enquiry the Tariff Board will be guided by the principles laid down in the resolution adopted by the Legislative Assembly on the 16th February 1923 and will consider

(i) whether the conditions laid down in paragraph 97 of the Report of the Indian Fiscal Commission are satisfied in the case of the sugar industry, in which term is intended to be included the grower of sugarcane in India, the manufacturer of *gur*, including *rab*, jaggery and all other indigenous forms of raw sugar, and the manufacturer of crystalline sugar,

(ii) to what extent, if any, and in respect of what classes or descriptions of sugar, protection should be afforded, and

(iii) how its recommendations, if any, will affect industries using any sugarcane products.

4. Firms or persons interested, who desire that their views should be considered by the Tariff Board, should address their representations to the Secretary to the Board.

APPENDIX IV.

(See paragraph 14 of the Regulations.)

NOTE.—This Appendix is merely intended to show the principal leave rules in the Fundamental Rules and the Pension Rules at present applicable to Engineers appointed to the Indian Services from the United Kingdom, without going into minute details, and does not profess to deal with every case that may arise. The rules are subject to alteration, and any disputed question must be decided with reference to the authorised text of the Fundamental Rules or Civil Service Regulations for the time being.

LEAVE.

(The following rules apply only to officers of non-Asiatic domicile.)

1. Leave is calculated in terms of "leave on average pay", and the amount of "leave on average pay" which an officer earns is five twenty seconds of the period spent on duty.

2. Subject to certain maxima and minima and to the limitations noted below, an officer may draw, at his option, leave salary equal to the average pay of the last 12 months of completed duty or to half such average pay. All leave on average pay and half the period on half average pay is counted against the leave earned. An officer may take his leave on average pay on half average pay, or on a combination of the two, provided that his continuous absence from duty does not exceed 28 months, and that the amount of leave taken on average pay does not exceed eight months at any one time. The maximum amount of leave admissible during an officer's career, expressed in terms of leave on average pay, is three years *plus* one eleventh of the period spent on duty, of which not more than one year *plus* one eleventh of the period spent on duty may actually consist of leave on average pay. Leave not due and carrying half average pay may be granted on medical certificate, and, within certain limits, for other reasons, but an officer will not again commence to earn leave until the expiration of a fresh period of duty sufficient to earn a credit of leave equal to the leave he has taken before it was due. After 28 months' absence from duty an officer draws quarter average salary, subject to certain maxima and minima.

3. Leave salary is ordinarily payable in rupees if the officer spends his leave in Asia, and in sterling if he spends it elsewhere.

4. It should be noted that leave can never be claimed as of right, but is given or refused at the discretion of Government.

PENSIONS.

5. The following is a summary of the pension rules applicable to Engineers appointed to the Indian Services by the Secretary of State from the United Kingdom.

Ordinary Pensions.

6. Subject to the absolute right, which will not ordinarily be exercised, of the Government of India to decline to permit any officer to retire before reaching the age for superannuation, should it be necessary in the public interest to retain his services, officers will be allowed to retire optionally after 30 or more years' qualifying service.

7. An officer is entitled to superannuation pension on attaining the age of 55 years, when retirement is ordinarily required, or on retirement thereafter. (An officer is sometimes, for special reasons, retained after attaining the age of 55 years.)

8. The rates of retiring and superannuation pension are $\frac{1}{60}$ths of average emoluments, subject to the following maxima :—

Completed years of qualifying service.	Maximum limit of pension. Rs.	
20—24	4,000	per annum.
25	5,000	,,
26	6,200	,,
27	6,400	,,
28	6,600	,,
29	6,800	,,
30	7,000	,,

9. Government may retire any officer after he has completed 25 years' service without giving reasons, and without any claim for compensation in addition to pension, and in that event the pension admissible to him will ordinarily be regulated on a scale not exceeding that laid down above. Government also reserves the general power to reduce the pension ordinarily admissible in all cases where an officer's service has been unsatisfactory.

10. An officer who is compelled to retire through ill-health not occasioned by irregular or intemperate habits will be eligible for invalid gratuity or pension as follows :—

(a) After qualifying service of less than 7 years a gratuity not exceeding one month's emoluments for each completed year of service (except in special cases and under the orders of the Government of India, who may sanction a maximum of 12 months' emoluments). If the emoluments of the officer have been reduced during the last three years of his service otherwise than as a penalty, average emoluments may, at the discretion of the authority which has power to sanction the gratuity, be substituted for emoluments.

(b) After a service of not less than 7 years, a pension not exceeding the following amounts :—

Completed years of qualifying service.	Scale of pension.	Maximum
		£
7	7 sixtieths of average emoluments.	2,000 per annum.
8	8 do.	2,250 ,,
9	9 do.	2,700 ,,

14	14 do.	4,200 ,,
15	15 do.	4,500 ,,
16	16 do.	4,800 ,,
17	17 do.	5,100 ,,
18	18 do.	5,400 ,,
19	19 do.	5,700 ,,
20	20 do.	6,000 ,,
21	21 do.	6,300 ,,
22	22 do.	6,600 ,,
23	23 do.	6,900 ,,

26	30 do.	6,300 ,,
27	30 do.	6,600 ,,
28	30 do.	6,900 ,,
29	30 do.	6,900 ,,
27 and above	30 do.	7,000 ,,

Average emoluments are calculated over the last three years of service.

Pensions drawn in this country are converted into sterling at a privileged rate of exchange of 1s. 9d. the rupee.

Additional Services.

11. The Government of India have classified certain high appointments into two grades, the lower comprising those posts which involve high but intermediate responsibility, the higher consisting of those which require a marked degree of independent administrative and professional capacity. Officers who have held appointments listed in the lower grade may be granted an additional pension at the rate of Rs. 300 for each completed year of effective service in any appointment included in that grade, provided that no officer may draw an additional pension in excess of Rs. 1,500 in respect of service classed in the lower grade. Officers who have held appointments listed in the upper grade may be granted an additional pension at the rate of Rs. 500 for each completed year of effective service rendered in any appointment included in that grade, provided that no officer may draw an additional pension in excess of Rs. 2,500 in respect of service rendered in the lower and upper grades combined or in the upper grade alone.

12. These additional pensions will be subject to the condition, that the service in the appointment in question has been approved by Government, and that an officer must, in the event of voluntary retirement, have completed 28 years' qualifying service.

The upper grade includes the Consulting Engineer to the Government of India and Chief Engineers of the Indian Service of Engineers.

The lower grade includes Superintending Engineers, Indian Service of Engineers.

PROVIDENT FUND.

13. A General Provident Fund, to which subscription is compulsory, has also been established on the following basis:—

(1) Subscription is compulsory up to 6¼ per cent. of pay, with voluntary subscriptions of not more than a further 9¼ per cent., but the amount of the compulsory subscription is reduced by the amount of the subscription to the Superior Services (India) Family Pension Fund. Subscriptions during leave of any kind are optional.

(2) Compound interest on such payments is annually credited by Government to such officer subscribing.

(3) The sum which thus accumulates to the credit of an officer is his absolute property, subject to the rules of the Fund, and is handed over to him, unconditionally, on his quitting the Service; or, in the event of his death before retirement, to his legal representatives or such other person or persons as, under and subject to the rules of the Fund for the time being in force, may be entitled thereto.

THE SUPERIOR SERVICES (INDIA) FAMILY PENSION FUND.

The Superior Services (India) Family Pension Fund (inaugurated 1st September 1925) has been instituted to make provision for the widows and orphans of European and Anglo-Indian members of the Superior Civil Services in India other than the Indian Civil Service.

Subscriptions, which are compulsory for such officers, are payable, normally, for a period of 25 years commencing in the first year at £1 13s. 4d. a month and rising each year by 3s. 4d. a month to £3 16s. 8d. a month in the twentieth and subsequent years.

N B.—The deficit for 1928-29 was due to a fall of about Rs. 41,000 in the receipts under 'Communications' and increased expenditure of about Rs. 72,000 under the same head The deficit for 1930-31 is apparently explained by the provision for an enormous increase of Rs. 2,12,000 in the expenditure on "Communications". This seems to be a non-recurring expenditure and if it is cut down, the deficit may disappear.

NOTIFICATIONS.

No. 11.—In virtue of the powers delegated under clause XI of Government Notification No. 483, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No. 101, dated 15th March 1924, and in supersession of Commissioner's Notification No. 8, dated 25th June 1929, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1930:—

(1) The villages in the Agency tracts specified in schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangaseeri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of *arrack* or toddy arrack;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the portion of the West Godavari district corresponding to the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the old Kistna district and in the Repalle and Bapatla taluks of the Guntur district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Suit and Abkari Inspector of the State; and

(*g*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for drawing toddy for domestic consumption, but not for sale.

In cases (*b*), (*d*) and (*e*), the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*a*), (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (*a*) and (*e*) the tree tax must be paid into a Government treasury of the taluk in which the shop is situated or to an authorized village munsif in the same taluk, and the renters concerned should affix a declaration in the applications to the effect that they have obtained a licence permanent or temporary for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the application and fees are presented to these officers. Pudukkottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in Form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Koilkonda, Sub Treasury, the rate being the same as in the Karnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the West Godavari district, in the Ropalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dudasal (*Areca Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

E. BRITO,
Secretary to the Commissioner of Excise.

Madras, 21st June 1930.

Experience has shown that the present Palkonda taluk in the Vizagapatam district is a heavy charge for a Tahsildar and that it is difficult to administer owing to its being cut into two by the Nagavalli river which is unbridged and unfordable for a considerable part of the year, and that the work of the Tahsildar of Vizianagram is also heavy owing to his heavy criminal file. With a view to giving relief to the two Tahsildars, the Board proposes to appoint a dependent Deputy Tahsildar at Rajam in the Palkonda taluk and a Stationary Sub Magistrate for the Vizianagram taluk As a consequence of the above proposals, it is proposed to abolish the present Gajapatinagaram taluk which is a light charge and redistribute the villages in the adjoining taluk charges. These changes are detailed in Annexures 'A' to 'G'. If the public including the ryots and the local boards which represent the interests of the public have any objections to the proposals noted below, they may submit their respective objections to the Collector of the Vizagapatam district not later than 15th August 1930.

Read notes by the Chief Engineer and the Chairman stating that as the result of the injury a portion of Mr. Mohideen Kutty's left leg below the knee had been amputated, thus resulting in his permanent partial disablement, and recommending

(1) that he be granted a compensation, for the disablement, amounting to Rs. 1,365. This sum, is arrived at on the same basis as that laid down by section 4 (c) (1) of the Workmen's Compensation Act, though he is not legally entitled thereto under that Act.

(2) that he be provided with an artificial leg at the cost of the Trust, paying him railway fare to and from Bombay and subsistence allowance while at Bombay, should his presence at Bombay be necessary to obtain the artificial leg and

(3) that he be retained in the Trust's service as a sub-overseer on a commencing salary of Rs. 60 per mensem on a scale of pay of Rs. 60—5—100 against an existing vacancy—the payment of the compensation now proposed not prejudicing his claim for continuity of service with the Trust and also for service gratuity based on the rate of pay that he would be actually drawing at the time of his final retirement from the Trust's service.

Resolved that the recommendations be approved.

EXCISE DEPARTMENT.

NOTIFICATION.

No. 10, *dated* 21*st June* 1930.

NOTICE OF SALE OF ARRAKI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency, including the Banganapalle State and the toddy farms of 122 villages of the Parlakimedi Maliahs of the Ganjam Agency, will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1930 and ending 30th September 1931. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted, will be notified by Collectors in their District Gazettes. A separate notification will be issued regarding operations under the toddy tax system.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. No shop will be knocked down in the name of two or more persons. In the case of a duly recognized company or firm an agent duly authorized by a power of attorney, or any office-bearer empowered by the articles of association or similar rules, may bid for and act on behalf of the company or firm. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the bank treasury and the challan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the challan at the bank office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari / Opium Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer or agent of a brewer (either local or foreign) bidding for any shop in which beer is sold for consumption on the premises; or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop or farm will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop or farm.

IV. The shops or farms will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop or farm, he may at his discretion either accept the next highest bid or resell the shop or farm. In case of dispute the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall—

(1) at once, if so required by the selling officer, or otherwise at the close of the day's sale, deposit, in

addition to the deposits made under clause I, half a month's rent for each shop or farm, knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for such shop or farm knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop or farm and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops or farms knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to deposit two months' rent of all shops or farms knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement. The bidder or his surety must produce at his cost an encumbrance certificate in cases where immovable property is mortgaged to Government.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which resales, if any are found necessary, will be held; when the list of shops or farms to be resold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons. In the event of any original bid not being confirmed by the Collector for the reason that it is inadequate, the resale should begin with the bid previously accepted by the selling officer at the original sale and in the name of the individual who offered the bid.

X. On the failure of any person to make a deposit or apply for a licence under condition VI or to comply with any requisition or to execute any engagement under condition VI, the shop or farm may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the deposits already made by the defaulting bidder will be forfeited and deducted from the loss arising from the resale, and the balance of the loss if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the deposits be greater than the loss by resale, only such part of the deposits as is necessary to cover loss by resale will be forfeited and the balance refunded to the defaulter. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Co-operative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (a) (ii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer or Sub-Treasury Officer as the case may be to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (ii) and (b) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar,

The Treasury Officer or Sub-Treasury Officer as the case may be will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money order or insurance cover to the Bank. When the amount has to be sent by postal money order or insurance cover the renter will be required to deposit in the Treasury or Sub-Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer or Sub-Treasury Officer as the case may be, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk; the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any penalties or other sums recoverable under the terms of the license or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 40 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police Authorities; in areas for which Excise Licensing Boards have been constituted under rules framed by Government, the sites selected by renters will have to be approved by the Licensing Boards when the rules so require. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. Licensees must keep their shop premises in a sanitary condition to the satisfaction of inspecting officers. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Excise Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. In liquor shops in which consumption on the premises is permitted, private bars may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop shall be opened before 10-30 a.m. in Madras town, 10 a.m. in Tuticorin town and 9-30 a.m. elsewhere. No foreign liquor tavern or beer shop shall be opened before 10-30 a.m. in Madras town and 9-30 a.m. elsewhere. Toddy shops shall not be opened before 9 a.m. in Salem town, in certain specified areas in the neighbourhood of mills in Madras town before 7 30 a.m., in Tuticorin and Mangalore towns before 7 a.m. and before sunrise elsewhere. No other shop shall be opened before sunrise. Arrack depots shall be kept open from 7 a.m. to 12 noon and from 2 p.m. to 6 p.m.

10. (a) No shop or depot shall be kept open after the hours prescribed below except under special authority:—

Collectors may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to

be advisable in the interests of the public. The Commissioner may, for sufficient reasons, order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than those prescribed above.

(5) With the previous sanction of the Commissioner, Collectors are authorized (i) to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness; (ii) to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p.m. on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

NOTE.—In Madras town, specified shops in the neighbourhood of mills will be closed on ordinary working days from 11-30 a.m. to 1 p.m., on pay days from 11-30 a.m. to 1 p.m. and from 4 p.m. to 8 p.m. and on Sundays and on such mill holidays as are festival days at all hours except between 11-30 a.m. and 4 p.m.

(c) The closing hours of hotels in the Nilgiris is 10 p.m.

(d) The closing hour for refreshment rooms, hotels and hotel bars in Madras town is 10 p.m. The Collector of Madras and the Commissioner of Police, however, may jointly permit the extension of the time to 11 p.m.

(e) 9 p.m. is fixed as the general closing hour in the case of Railway refreshment rooms. Collectors are authorized to note in the licences the particular hours after 9 p.m. during which such licensed premises may be kept open for the sale of liquor to bona fide travellers only with reference to arrival and departure of trains. Collectors may alter these hours during the currency of the licence with reference to any alteration in the Railway time-tables.

11. Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling license. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. No person suffering from leprosy or any contagious disease shall be allowed to be the holder of abkari or opium privileges; nor shall licences be granted to persons below the age of eighteen in the case of abkari privileges and twenty in the case of opium privileges. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of eighteen (twenty in the case of opium) or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any capacity in connexion with the management or the working of a depot or shop and the tapping and drawing of toddy for the supply of toddy shops in the topes in which the trees are marked and, if he disapproves of any such person, may forbid the licensee from keeping him in employment.

NOTE.—This rule applies to the sale of eatables by persons in liquor shops.

15. (a) No liquor, opium or intoxicating drug shall be sold or given—

I. Except at shops specially approved by the General Officer Commanding the Division (or independent brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

II. (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers, Railway servants and to drivers and conductors of motor buses, taxies and lorries, when on duty; or

III. in any circumstances to any

(1) European vagrant under escort of the Police;

(2) insane person;

(3) person known or believed to be intoxicated; or

(4) person known or suspected to be about to take part in a riot or disturbance of the public peace or other crime.

(b) No liquor or intoxicating drug shall be sold or given in any circumstance to any child or young person under eighteen years of age or adult female; no opium shall be sold or given in any circumstance to any child or young person under twenty years of age or adult female.

(c) No child, young person under eighteen years of age or adult female shall be admitted into the premises of any shop in which consumption is allowed on the premises subject to the exception in condition 13.

NOTE.—(1) The restrictions in I and II do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

(2) The restrictions in clauses (b) and (c), so far as they relate to adult females, do not apply to foreign liquor licensees issued on fixed fees.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the minima prescribed :—

Arrack.	Toddy	Ganja.	Opium.	Coconut toddy arrack.
Four drams except in special localities separately notified, where it is generally one dram.	Half a gallon except in special localities separately notified, where it is one dram.	In the Agency tracts ten tolas of ganja and ten tolas of bhang and elsewhere three tolas of ganja, ten tolas of bhang and preparations or mixtures containing the above quantities.	In the Agency tracts any quantity up to two tolas, and elsewhere one tola of opium or preparations therefrom other than morphia or preparations for smoking.	Two Imperial gallons.

Permits shall be in printed books, which can be obtained at all offices of the Inspectors of the Excise Department on production of receipts for payment of the cost price into a Government treasury. The signing of blank permits for subsequent issue is prohibited.

19. Only such weights and measures as may from time to time be prescribed by the Commissioner of Excise shall be possessed or used at any licensed premises, and they shall be tested and stamped by the stamping establishment of the district if the Collector shall so direct. Short measurement or short weighment is strictly forbidden.

20. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden. Licensees are prohibited from advertising the sale of liquor, opium or intoxicating drugs by beat of tom-tom or placards in the streets and in the neighbourhood of markets and from giving or offering liquor, opium or intoxicating drugs free with the object of increasing the custom or for any other reason. They are also prohibited from employing motor or other conveyances to convey possible customers to their shops.

21. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

22. No person shall be harboured in any depot or shop during the night.

23. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. Unless special permission is given to the contrary, separate accounts shall be kept for the transactions under each license. The accounts shall be in printed books which may be obtained from local Revenue officers on payment at cost price. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed in support of the accounts. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the licences; they shall be handed over at the end of the lease either to the Range Sub-Inspector or to the in-coming licensee and they shall be produced when called for by an officer not below the rank of an Assistant Inspector of the Excise Department.

24. Except in the case of fixed fee licences, the amount for which the privilege of sale has been purchased shall be payable in advance in twelve equal monthly instalments ('kists') into a Government treasury of the taluk where the shop is situated or to an authorized village munsif in the same taluk on or before the 1st of each month beginning with April or October as the case may be. In the case of toddy shops, tree-tax should also be paid into a Government treasury of the taluk where the shop is situated or to an authorized village munsif in the same taluk. In Madras town kists should be paid in advance on or before the 10th of each month. Fines will be levied on any amounts not so paid; interest will also be levied on any amounts not paid before the end of the month for which they are due. After the 25th of the month in Madras town or the 20th of the month elsewhere shops are liable to be sold for failure to pay kists. Toddy shops may also be resold for failure to pay tree-tax. Fees for depot licenses must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to revenue officers to suspend licenses in case of failure of payment of kists or of tree-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a license for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the license to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be

liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. (a) No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's or in the case of a supplier under the contract distillery supply system, the Commissioner's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

(b) The transfer of a privilege will take effect from the date of issue of a licence to the transferee.

28. (a) No abkari or opium licensee in an Indian State or Foreign territory will be allowed to have any interest in a license for the same article in British territory without the special permission of the Collector.

(b) No abkari or opium licensee in any area in British territory may have any interest in or hold a license for the same article in any other area in British territory in which a different rate of duty is in force without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licences held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licences.

30 Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the $\frac{\text{Abkari}}{\text{Opium}}$ laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Land Revenue and the Excise Departments are absolutely prohibited.

32. With the sanction of the Commissioner, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the $\frac{\text{Abkari}}{\text{Opium}}$ laws and shall, if so required by the Collector or any officer authorized by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Excise Department of rank not lower than Sub Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorized to inspect depots and shops are authorised to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 12 and all Collectors and Assistant Commissioners of the Excise Department are empowered to confiscate or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, in the prescribed form (G-10), shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor. This note-book is the property of Government and shall be returned at the end of the lease to the range Sub-Inspector or to the incoming renter in an unmutilated and reasonably clean condition on a receipt being given therefor.

37. (1) If a licensee or any person in his employment is convicted by a competent court of any offence against the $\frac{\text{Abkari}}{\text{Opium}}$ Act or of any offence under the Indian Penal Code which in the Collector's opinion renders it desirable to cancel the licence or if it is brought to the notice of the Collector that the licensee has been convicted by a competent court of any such offence prior to the grant to him of the license, the Collector may direct that the licence shall be cancelled and the privilege be resold or otherwise disposed of at the risk of the licensee and may further direct, if he considers it necessary to do so, that any deposits made by the licensee shall be forfeited.

(2) Infraction of any of the conditions of the license by a licensee or by any person in his employment will render the licensee liable either to be prosecuted and on conviction dealt with under clause (3) or to fine not exceeding Rs. 50 or to cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and if considered necessary by the Collector to forfeiture of deposits. The rent for the whole lease shall become due at once when a lease is cancelled under this or the preceding rule.

(3) When a licensee holds more than one licence granted under the Abkari or Opium Act and when any one of these licences is cancelled under clause (1) or (2) above or under the special conditions applicable to ganja or opium shop licences, the Collector, at his discretion, may direct that any or all of the other licences under the Abkari and Opium Acts held by the licensee shall be cancelled and the several privileges be resold or otherwise disposed of at the risk of the licensee and, if necessary, may further direct that any deposits made by the licensee shall be forfeited. The rent for the whole lease shall become due when a licence is cancelled under this rule.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

38 Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

39. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

40. Specified sites or definite limits for each shop not overlapping those of other shops will be prescribed and notified in the District Gazettes before the sales. A Tahsildar may at any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice. Provided that no changes in the number or location of shops and depots likely to affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under the special sanction of the Commissioner.

41. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which

there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or in rented areas to the representative of the renter. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one license shall be issued for a fair or festival without the sanction of the Commissioner. The fees to be paid for the licences shall be fixed at the discretion of the Collector.

Conditions applicable to Toddy Licences.

1. The privilege conferred extends only to the sale of toddy.

2 Toddy required for sale should be drawn under separate tree tapping licenses to be obtained under the tree-tax rules from toddy trees in the tract in which the shop is situated or in any other tract in which the rates of tree-tax are not lower, subject to the discretion of the officer granting transport permits.

3. No toddy, except the produce of trees for the tapping of which a licence has been issued, shall be kept in the shop, offered for sale or sold.

4. The Collector will fix the minimum number of trees to be entered in original applications for tree-tapping licences.

5. The license confers no right to the free use of any trees

6 Arrangements for tapping private trees must be made with the owners thereof and tree-tax at the prescribed rates paid thereon

7. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licences granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

8. Toddy may be imported from His Exalted Highness the Nizam's Dominions for sale in toddy shops in the Bellary district on payment of a transport duty of three annas for every five seers or part of five seers.

9. Toddy shopkeepers in British districts adjoining Mysore, Banganapalle and Pudukkottai will be allowed to tap trees in those States on payment of tree-tax into British treasuries in the case of Mysore and Banganapalle and into the State treasury in the case of Pudukkottai

10. The addition of water to and the distillation of spirits from toddy are absolutely prohibited.

11. No sweet toddy, even if it be the produce of marked trees on which tree-tax has been paid, shall be kept or sold in the shop, nor shall any sweet toddy be mixed or allowed to be mixed with fermented toddy drawn from trees marked for the shop either in the shop or outside it.

12. Toddy drawn for one shop should not be mixed with that drawn for another and transported in one receptacle.

13. In addition to the restrictions imposed by general conditions (2) and (14), the following restrictions will be imposed in respect of the area of shops and number of compartments and sellers in the districts named :—
